

**FRIENDS OF JESSE WHARTON
CASH DONATION DRIVE**

August 25, 2010

Jesse Wharton PTA welcomes each of you to an exciting new school year. Your PTA helps support the education and welfare of each student while assessing the classroom needs of our teachers. One of the ways we work to help with the Jesse Wharton experience is to support teacher's needs from school supplies and tutoring to staff development, school beautification projects and books for the media center.

Three years ago with the generous help of our parents and community, Jesse Wharton started **The Friends of Jesse Wharton** Cash Donation Drive. In an effort to assist in funding for these necessary programs, which enhance the education of our children in the classrooms, the PTA decided to make this a yearly drive for our school. *Your contribution is tax-deductible and 100% goes directly to JWES PTA.* Your contribution may be eligible for a matching donation from your employer.

As a result of last years successful cash donation drive the PTA provided items such as eight Voice Amplification Systems (this is twice the number of systems than last year) for classrooms, pay tutors and assist families at Christmas and Clothing Exchange. The PTA could not have provided these much needed items for the teachers had it not been for cash donations made by our parents and community.

Please consider giving a cash donation today as we work together to provide technology, programs and resources for all of our children at Jesse Wharton Elementary School. If a relative or friend would like to make a contribution, please contact any PTA member or me for an additional form.
