

Jesse Wharton Elementary School PTA Membership Form (2009-2010)

“The number one priority for parents is their children’s well-being. More than 30 years worth of research has proven that children do better when their parents are involved both at home and at school. Grades and test scores climb! Self-Esteem grows! Schools improve! PTA helps parents, students, staff and communities work together to share ideas about programs and activities that benefit children.” *(National PTA)*

In the past year our PTA was able to provide staff development, first aid training, tutoring, classroom supplies, school agendas, educational software, media center upgrades, murals throughout the school as well as stage curtains and new basketball goals for the gym. In addition, our PTA offers a wide variety of committees for volunteer opportunities.
